Transportation Law

10 YEAR
ANNIVERSARY
ARNECKE SIEBOLD

relevant areas. Recent work includes advising on the introduction of the German air travel tax and its alleged non-conformity with German, EU and international law. He also successfully acted for a carrier in a high-profile case arising from a fuel surcharge investigation. He has represented a multitude of cargo and passenger airlines in matters involving various authorities, including the German Civil Aviation Authority, the German Emissions Trading Authority, the Canadian Transportation Agency, the European Aviation Safety Agency, Air Traffic Control, DGMove and the US Department of Transportation. He has significant experience in the German courts.

Mr Steppler represents international airlines, industry participants and organisations in all relevant areas. Recent work includes advising on the introduction of the German air travel tax and its alleged non-conformity with German, EU and international law. He also successfully acted for a carrier in a high-profile case arising from a fuel surcharge investigation.

Ulrich Steppler is the joint head of the transportation, aviation and logistics group at Arnecke Siebold. He specialises in aviation matters, focusing in particular on passenger air transportation, and has extensive knowledge and experience of aviation litigation and regulatory issues. Mr Steppler is a regular and frequent contributor to the German Journal for Air and Space Law and Kluwer's Air & Space Law, for which he serves as a member of the case law committee. He is also the author of a book on International Air Transport Association (IATA) interlining and a collection of rules and regulations on the EU Emissions Trading Scheme. He is a member of the European Air Law Association (EALA) and the American Bar Association (ABA) Forum Air and Space Law, and has been listed as a leading individual in Legal500 and European Legal Experts. Ulrich is also the winner of the ILO Client Choice Awards 2010 and 2011 for the category 'Aviation Law Expert Germany'.

Mr Steppler represents international airlines, industry participants and organisations in all
